

# 1/8" MICRODUCT FISHER™

## FOR FISHING FIBER MICRODUCT

Jameson's Microduct Fisher features all fiberglass rod construction for safety and easy handling.

Smooth, round polymer jacket will not nick or scratch fiber or duct wall.

Low profile pulling eye is permanently mounted on rod to move easily in fiber microducts as small as 6 mm, where traditional fish tapes are too large.

- 3.2 mm OD Fiberglass Rod
- 1.5" Bending Radius

### MICRODUCT FISHER
