

Certificate of Compliance and Crashworthiness

Certificate Number PLAS-028

Commander™ Drum

Plasticade Products certifies that the Commander Drum meets or exceeds Part 6 of the Manual on Uniform Traffic Control Devices (MUTCD) 2009 Edition, Section 6F.

We also certify that the Commander Drum meets or exceeds the National Cooperative Highway Research Program (NCHRP) Report 350, Category II, issued by the Federal Highway Administration (FHWA) and is deemed compliant as referred to in HAS-10/WZ-54. This certification includes the use of warning lights attached to the drum. In addition, in compliance with “Clarifications on Implementing the AASHTO Manual for Assessing Safety Hardware, May 2016”, we certify that the Commander Drum (without attachments) meets the requirements of the 2016 AASHTO Manual for Assessing Safety Hardware (MASH) for Test Levels I, II, and III.

The Commander Drum is deemed to be “crash worthy” under the guidelines stated above.

This certificate shall not be reproduced except in full.
